In case of conflict between this chapter and those regulations, the federal regulations shall govern. (Res. 75-271 §3, passed June 9, 1975; amended by Res. 89-045 (part), passed June 1, 1989)

11.3.4. Fireworks Outlet License Required. 11.3.8. Issuance of Fireworks Outlet License. Upon approval of an application and compliance with all other parts of this chapter, the executive director may issue an applicant a fireworks outlet license for all seasons of sale commencing during the current calendar year. The license shall entitle the operator to establish and maintain one (1) fireworks outlet on the Port Madison Indian Reservation. The license shall be nontransferable. No person shall be issued more than one (1) license. A copy of the license shall be posted at each fireworks outlet in a place where it is readily visible to the public. (Res. 75-271 (part), passed June 9, 1975; amended by Res. 81-074 §8,

passed July 9, 1981; amended by Res. 89-045 (part), passed June 1, 1989; amended by Res. 98-044 (part), passed June 8, 1998)

11.3.9. Denial of License. (Res. 89-045 (part), passed June 1, 1989)

11.3.10. Fireworks Outlet License Fee. After approval of an application for a fireworks outlet license, the applicant shall pay a license fee to the Suquamish Tribe for the privilege of operating a tribal fireworks outlet. The amount of the fee shall be established by the Tribal Council. The fee must be paid promptly following the opening of the fireworks outlet. Any fee not paid by September 1 of each year shall accrue interest at the rate and be subject to such monetary penalty as the Tribal Council may prescribe. (Res. 75-271 §9, passed June 9, 1975; amended by Res. 89-045 (part), passed June 1, 1989)

11.3.11. Excise Tax. The Tribal Council may authorize the levying of a tax upon the sale, use, consumption, handling, possession, or distribution of all fireworks. The excise tax authorized hereunder shall be a tax upon distribution of fireworks; provided however, that failure to pay the tax at the time of such distribution shall not prevent tax liability from arising by reason of another taxable event. Any excise tax levied hereunder shall be added to the retail price of fireworks sold to the ultimate consumer. (Res. 75-271 §10, passed June 9, 1975; amended by Res. 89-045 (part), passed June 1, 1989)

11.3.12. Cleaning Deposit. As a condition to the issuance of a license under this chapter, each applicant shall first deposit with the Tribe a cleaning deposit in an amount established by the Tribal Council. The cleaning deposit shall be returned at the end of the selling season if the outlet site is cleaned as required in §11.3.13. (Res. 81-074 §10.1, passed July 9, 1981; amended by Res. 89-045 (part), passed June 1, 1989)

11.3.13. Cleanup and Removal of Signs. It is the responsibility of each operator to ensure that at the close of each season the fireworks outlet site is cleaned of all wood, paper, and other refuse and that all signs used in the sale of fireworks or which in the past were used in the sale of fireworks that are not used in other businesses are removed from the site. All removal required by this section shall be completed within ten (10) days of the close of the selling season as established by the Tribal Council. The Suquamish Tribe shall act to enforce this section if the operator fails to clean and remove all signs from the site within the ten-day period. (Res. 81-074 §10.2, passed July 9, 1981; amended by Res. 89-045 (part), passed June 1, 1989)

11.3.14. Tribe to Enforce Cleanup, Sign Removal. As a condition of the issuance of any license under this chapter, a fireworks outlet operator shall designate the Suquamish Tribe as his or her agent to carry out the requirements of §11.3.13. The designation shall empower the Suquamish Tribe to enter and inspect the fireworks site,

to take all action necessary or appropriate to clean and clear the site as provided in §11.3.13, and to remove any sign subject to removal under that section. The operator shall agree to bear all costs involved in the cleaning and removal and to reimburse the Tribe for all expenses incurred in enforcing §11.3.13. The designation shall be in writing and shall be contained in every license application. (Res. 81-074 §10.3, passed July 9, 1981; amended by Res. 89-045 (part), passed June 1, 1989)

11.3.15. Other Business by Operator. An operator may conduct another business simultaneously with managing a fireworks outlet pursuant to this chapter. The operator shall keep a separate accounting of the transactions from business of the fireworks outlet. However, the other business may be conducted on the premises, and the operator shall not be required to maintain separate books of account for the other businesses. (Res. 75-271 §14, passed June 9, 1975; amended by Res. 89-045 (part), passed June 1, 1989)

11.3.16. Restricted Sales to Minors. An operator may not sell any fireworks to any person under sixteen (16) years of age nor permit any such person to work in the outlet. (Res. 75-271 §15, passed June 9, 1975; amended by Res. 89-045 (part), passed June 1, 1989)

11.3.17. Prohibited Places of Discharge. No person shall discharge any fireworks within any building, vehicle, or closed area; within one hundred fifty (150) feet of any public fireworks display during such display; or within one hundred fifty (150) feet of any vehicle, structure, container, facility, or place in which fireworks, petroleum products, or other highly flammable or explosive substances are made, sold, or stored pending sale or commercial use. (Res. 89-045 (part), passed June 1, 1989)

11.3.18. Restrictions on Wholesale Transactions. No wholesale fireworks licensee shall, within the Port Madison Indian Reservation, sell any fireworks at retail or to persons other than retail fireworks licensees. No retail fireworks licensee shall purchase fireworks at wholesale within the Port Madison Indian Reservation from any person other than a wholesale fireworks licensee. 11.3.19. Tribal Immunity — Liability. Nothing in this chapter or any regulation, restriction, license, or other act pursuant thereto shall limit or waive the sovereign immunity of the Tribe from suit nor create any liability on behalf of the Tribe for damages arising from the sale or use of fireworks. (Res. 75-271 §16, passed June 9, 1975; amended by Res. 89-045 (part), passed June 1, 1989)

11.3.20. Revocation of Fireworks Outlet License. Failure of an operator to abide by this chapter and any additional requirement or restriction imposed pursuant thereto will constitute grounds for revocation of the operator's fireworks outlet license as well as enforcement of the remedies provided in §11.3.21. (Res. 75-271 §18, passed June 9, 1975; amended by Res. 89-045 (part), passed June 1, 1989)

11.3.21. Violation — Remedies. The Tribal Court shall have jurisdiction over any alleged violations of this chapter. Upon application by the Tribe showing probable cause, the tribal judge shall issue an order directing the tribal law enforcement officer to seize all fireworks, from wherever purchased and by whomever owned, from any business being operated in violation of this chapter. Within three (3) days of such seizure, after adequate notice to the operator of such outlet, a hearing shall be held in the Tribal Court at which time the operator of such outlet shall be given the opportunity to present evidence in defense of his or her activities. The time for such hearing may be extended at the request of the operator. If the Tribal Court shall determine by a preponderance of the evidence that any fireworks outlet was or is being operated in violation of this chapter or restrictions pursuant hereto, the tribal judge shall impose a civil penalty of not less than fifty dollars (\$50) nor more than two hundred fifty dollars (\$250) per violation in addition to the forfeiture of any fireworks seized as described above. (Res. 75-271 §19, passed June 9, 1975; amended by Res. 89-045 (part), passed June 1, 1989)

11.3.22. Recovery of Taxes Owed. 11.3.23. Authority to Inspect Premises and Records. The Tribe shall have the power to inspect the premises and records of any fireworks outlet for the purpose of determining whether all of the requirements of this chapter and restrictions pursuant hereto are being met by the fireworks outlet and its operator. Notice of such inspection need not be given, and interference with or obstruction of such an inspection by a fireworks outlet operator or his or her agent or employee shall be grounds for revocation of the fireworks outlet license and shall be deemed a violation of this chapter. (Res. 75-271 §21, passed June 9, 1975; amended by Res. 89-045 (part), passed June 1, 1989)

11.3.24. Administration. Unless otherwise provided by this chapter or other tribal law or policy, the executive director shall administer this chapter. (Res. 89-045 (part), passed June 1, 1989; amended by Res. 98-044 (part), passed June 8, 1998)

11.3.25. Severability. If any provision of this chapter or its application to any person or circumstance is held invalid, the remainder of this chapter or the application of the provision to other persons or circumstances is not affected. (Res. 75-271 §22, passed June 9, 1975; amended by Res. 89-045 (part), passed June 1, 1989)
