A Greeting from the Director...

Dear Friends and Relations,

As I reflect back on 2025, I'm thankful for all of the moments of kind connection, joyful gatherings, and mindful impact.

Thank you for your support as we brought back our fundraising event, A Time to Gather, after a 5 year hiatus. It was an evening of beauty and joy. Sharing the Mosquito Dance with a new group of friends, was a treasured moment. As was seeing you all learn and care for our Lushootseed language.

Your contributions of kindness and intentional giving provided a needed boost to our Suquamish Culture Department. Funding Culture Nights and Lushootseed revitalization, has an impact that reverberates for generations to come.

In 2025, we are excited to host A Time to Gather again in Suquamish and a storytelling event in our Seattle homelands.

Looking forward to seeing you soon.

A TIME TO GATHER

The Suquamish Foundation was honored by the incredible show of generosity at A Time to Gather, a heartfelt evening that brought together Tribal members, neighbors, and the broader community in celebration of shared values and collective impact. The event raised more than \$50,000, a powerful testament to the community's commitment to supporting meaningful work. Proceeds from the evening are helping the Suquamish Tribe Cultural Resources Department continue its vital efforts to weave Suquamish culture, history, and traditions throughout the Tribe and surrounding communities.
